

Dr. Manon Charbonneau, MD, FRCPC, DFCPA is Chair of the Public Policy Committee and Past-President of the Canadian Psychiatric Association (CPA). She was nominated as Fellow and Distinguished Fellow of the CPA and received the Presidential Commendation in 2020. She is a rural and remote Practicing Psychiatrist in the Northern Quebec where she is involved in residency training in psychiatry about rural practice and community psychiatry. She is the Department of psychiatry, Chief of the Regional Service for Child and Adolescence Psychiatry. She is a certified trainer in Mental Health First Aid Canada (MHFA) for the Mental Health Commission of Canada, teaching in different Northern Communities mostly to assist First Nations, Innu and Métis Mental Health first line providers, their families and peers. Dr Charbonneau is an Assistant Professor, Department of psychiatry and addictology at University of Montreal where she trained and specialized in Psychiatry. She is known as an International Mental Health Advocate, giving lectures and publishing mostly on the Issue of Stigma/Discrimination in Mental Health. She was Chair of the CPA'S Stigma Working Group for 10 years. Her personal and professional experience brought her to work as Board Director for the Mental Health Commission of Canada for 6 years. Dr Charbonneau is still involved in many advisory boards, in educational, publication and research projects as a Consultant on the issue of Stigma and Mental Health for the MHCC, the CPA and the Ministerial Advisory Council in Mental Health for Health Canada. She is currently President-Elect of the Canadian Association of Social Psychiatry (CASP) and a "Bell Let's Talk" pancanadian campaign Ambassador since 2019.
